Talking About CLOTHING

Do you know that there is a vast difference in the make up, lining, sewing and general finish of clothing.

There is the "made to sell" kind, pretty patterns, gaudy linings, but there's no satisfaction in the wear; it is made in a hurry by underpaid labor; just "made to sell."

Then there's the "made to wear" kind, properly shrunk, plain but strong linings, the "vitals," or inside paddings, properly adjusted sewed with silk, made by skilled labor and sold on honor.

The "made to wear" kind costs a little more than the "made to sell" kind, but, dear me, it is ever so much better.

We sell the made to wear kind.

"NON-PARTISAN" CITIZENS MEET

A Full and Complete Ticket Is Placed in the Field.

AND ALL WAS HARMONIOUS

Most of the Nominations Were Made By Acclamation.— There Was But Little Opposition.

According to call, a convention to nominate a "non-partisan citizen ticket" was held in the council chambers yesterday afternoon and subsequently adjourned to meet at the court house at 7:30 last evening.

AFTERNOON SESSION.

The assembly numbering 65, by actual count, of an Astorian representative, was called to order by C. C. Utzinger at 1:30 and a chairman was chosen in the person of ex-Mayor Bergman, with P. B. Sovey as secretary.

The chairman appointed a committee of three each, on order of business, an platform. The former committee soon reported and recommended that the temporary organization be made permanent, which upon a motion was followed by an announcement to nominate a full county ticket. The report was unanimously adopted, and nominations being in order first for coroner, Messrs. Olsen, Franklin and the present incumbent, W. C. A. Pohl, also nominee of the Republicans, were balloted for, with the result: Pohl, 39; Olsen 8, and Franklin, 11. Mr. Pohl was thereupon declared the unanimous choice for the position of coroner.

At this stage of the proceedings a motion was made to adjourn until 7:30 to meet at the court house. Pending a vote, a delegate from the country objected to an adjournment on the ground that it would prove an expense to country delegates. P. B. Sovey, the secretary, advocated the adjournment on the ground that a party organization required that 100 or over should be participants, thus avoiding nominations by petition. After considerable debate an adjournment was effected according to motion. An offer to give the country delegates a banquet was received with hilarious applause and promptly accepted by the gentlemen in question.

The committee on platform submitted a report which was adopted. The report embodied non-partisan politics in county, state and municipal affairs; the protection of the fishing industry by the removal of fish traps and wheels from the Columbia; the keeping and maintaining of good roads; an unqualified approval of the Chinese exclusion act; opposition to ring rule; just and equal assessment and taxation; that the interests of the taxpayers and 3000 fishermen and their families, are of more importance than the political fortunes of any individual; the adoption of the initiative and referendum; public ownership of public utilities and an eight hour law for workmen.

A county central committee was appointed as follows: H. L. Henderson, W. J. Cook, B. C. Hughes, B. F. Allen, P. B. Sovey, H. W. Dean, J. A. Heckard, R. M. Wooden, W. H. Smith and A. B. Coe.

NIGHT SESSION.

The adjourned session was called to order by Chairman Bergman. Mr. Pohl was nominated again by acclamation for coroner in order to do away with any possibility of having to do away with any possibility of having to do so by petition. M. D. Raymond was nominated for surveyor by acclamation as was also P. H. Trullinger for assessor. B. F. Allen was the unanimous choice for treasurer.

B. J. Sloop was declared the unanimous choice for county clerk. For sheriff, J. H. Hansen had no opposition and was nominated by acclamation. B. F. Coffey, E. B. Libbie and J. Sture were placed in nomination for

county commissioner with a result of E. B. Libbie being the choice of the convention by a large majority. For the office of county judge, John Hahn and C. C. Utzinger. The latter, however declined to run and A. M. Smith was thereupon nominated and promptly declined the honor. John Hahn was then declared the unanimous nominee.

For one of the representatives H. M. Lorensen was nominated by acclamation. The nomination of several patriots for the other representative were made in regular order, all of whom declined the honor until finally John Hahn, the nominee for county judge arose and said, "Mr. Chairman and gentlemen of the convention; as all seem to decline the honor of running for representative, I take upon myself the pleasure of accepting the nomination. This little speech was received with enthusiastic applause and speedily confirmed.

A. M. Smith was thereupon declared the nominee for county judge. For the office of state senator, Dr. H. L. Henderson was selected by a unanimous vote. The gentleman accepted the honor saying he expected to be elected.

For road supervisor of Astoria precinct the names of D. P. Blount and John Chitwood were placed in nomination resulting in Chitwood capturing the position, by virtue of having

RIGHT OF THE CHURCH

CLASH BETWEEN MILITARY AND ARCHBISHOP.

Question of Collecting Tolls or For Interments in Cristobal Colon Cemetery.

HAVANA, April 16.—The question which has arisen between the military government and the archbishop of Havana with regard to the right of the church to collect certain burial fees for interments in Cristobal Colon cemetery has resulted in the arrest of the chaplain of the cemetery for refusing to receive a body for interment without a certificate from the parish priest. The chaplain was fined \$10.

A few days ago acting secretary of state wrote a letter to the archbishop, which was published in the Gazette as an official order, saying that by authority of the military government he requested the archbishop to inform the parish priests that they had no right to collect burial fees; that certificates authorizing burial could be legally issued only by a judge or the civil government and that burial in the cemetery could not be refused when such a certificate, together with a certificate of the ownership of a lot in the cemetery was presented.

The archbishop protested against this letter to General Wood, on the ground that the cemetery was a private corporation, owned absolutely by the church. He said the government had no right to interfere in the matter, that certificates from the parish priests were needed to comply with the internal regulations, that for 63 per cent of the burials in Christobal Colon cemetery the church received nothing and that the other cemeteries in Havana had similar regulations.

The archbishop has filed another protest in this matter with General Wood, in which he claims protection for the rights of the church under the treaty of Paris. He has also sent a protest to Washington through the apostolic delegate.

GOES DOWN WITH DEFEAT

The Chinese Exclusion Bill Fails to Pass the Senate.

THE PLATT SUBSTITUTE

The Cuban Reciprocity Bill Won a Substantial Victory in the House.—Republican Vote.

WASHINGTON, April 16.—The drastic Chinese exclusion bill originally framed by senators and representatives from the Pacific Coast states met defeat in the senate today, and in its place was substituted a measure ofered by Platt, of Connecticut, extending provisions of the present exclusion law and also applying that exclusion to all other insular territory under the jurisdiction of the United States.

The vote by which substitute took the place of original was yeas 45 to nays 33. Once the substitution had been made, all senators joined in its support with the single exception of Hoar, the substitute being passed 75 to 1. Friends of the substitute showed their strength throughout the voting on amendments that preceded the final action and succeeded in preventing any material change in its features. Some minor conditions were made, admitted Chinese persons connected with national exhibitions and providing for certificate of identification of Chinese in our insular possessions. Otherwise, however, the substitute was adopted substantially in the form that Platt presented it.

The senate failed to substitute an enacting clause of the house bill for the senate measure so that the bill now will go to the house as an original measure and from a parliamentary standpoint will have to be acted on and treated the same as though the house had not passed the Chinese exclusion bill already.

The detailed vote on the Platt substitute is as follows:

Yeas—Allison, Beveridge, Blackburn, Burnham, Burrows, Burton, Clapp, Clark, of Wyoming; Cockrell, Cullom, DeBoe, Dietrich, Dillingham, Dooliver, Elkins, Foraker, Frye, Gallinger, Gamble, Gibson, Hale, Hanna, Hansborough, Hawley, Hoar, Keam, Kearns, Kittredge, McComas, McCumber, McLaurin, of South Carolina; McMillan, Millard, Morgan, Nelson, Pettus, Platt, of Connecticut; Platt, of New York; Pritchard, Proctor, Quarles, Quay, Scott, Spooner, Stewart, Warren, Wellington Wetmore—45.

Nays—Bacon Bailey, Bard, Bate, Berry, Carmack, Clark, of Montana; Clay, Culberson, Jones, of Arkansas; Jones, of Nevada; Lodge, McLaughlin, of Mississippi; Mallory, Martin, Mitchell, Money, Patterson, Penrose, Perkins, Rawlins, Simmons, Simon, Tallaferro, Tillman, Turner, Vest—33.

WASHINGTON, April 16.—Friends of Cuban reciprocity bill won a substantial victory in the house today by carrying a motion to close general debate Friday at 3 o'clock. The vote was 15 to 123. Thirty-three Republicans voted against the motion, but this defection was offset by 32 Democrats who voted with the majority of Republicans for it. The strength of the Republican opposition to the bill judging by this vote, has decreased six since the vote was taken on the motion to go into a committee of the whole to consider the bill, when the vote stood 167 to 80. Cushman and Jones, of Washington, voted against the motion.

COLLEGE PRESIDENT.

NEW YORK, April 16.—Preparations are nearly completed for the installation of Dr. Nicholas Murray Butler, as president of Columbia University. In the gymnasium tomorrow night a ball will open the ceremonies. Friday will be students day, with an athletic

social and musical program, and on Saturday the final installation exercises will be held. President Roosevelt will be the guest of honor at the luncheon and dinner to be given by the alumni on Saturday as well as at the afternoon exercises in the gymnasium. Many visitors are also expected from 75 American universities.

COCKRIAN BEFORE POPE.

NEW YORK, April 16.—Bourke Cockran, of New York, who has just been received in audience by the Pope, says he found the Pontiff amazingly stronger than at his last audience, five years ago, cables the Rome correspondent of the Tribune. The Pope showed a wonderful memory, recollecting all the circumstances about his visit and New York affairs, speaking with a firm voice.

From other sources it is learned that the Pope expressed satisfaction over the new bonds of union between America and the Holy See from the mission of Governor Taft and the settlement of the Philippine question.

MALVER SURRENDERS

INSURGENT CHIEF GIVES UP STRUGGLE.

Province of Samar is Practically Free From All Opposition From Rebels.

MANILA, April 16.—General Malvar has unconditionally surrendered to Brigadier General Bell at Iipa, Batangas Province, with entire insurgent force of provinces of Laguna and Batangas. General Bell says his (Bell's) influence is sufficient to quell the insurrectionary movement in Tayabas and Cavite Provinces and capture all those in the field who have not yet surrendered, but Malvar has ordered a complete surrender of every insurgent to the nearest American force. General Wheaton, reporting to division headquarters, says that all resistance in his department has ended and that surrenders just announced mean that ports will be opened and that the Filipinos in detention camps will be allowed to return to their homes in time to plant crops.

Wheaton is especially pleased with General Bell's care of the natives confined in camps.

General Wheaton gives General Bell great credit for his indefatigability in conducting the campaign. He was in the field on horseback, day and night, personally superintending the most arduous operations.

People of Manila are delighted at the prospect of resumption of trade with Pacific provinces.

About 3200 rifles have been received by American officers in Batangas and Laguna provinces during the past four months. General Malvar personally requested an interview with General Bell in order to make his complete submission.

It is believed that the American commander received yesterday the surrender of all insurgents in Samar, unless planned proceedings were altered.

BOB INMAN IS NOMINATED

Democrats Put Him Up For Mayor of Portland and Expect to Win.

TICKET NOT COMPLETED

A Combination Formed With the Simon Wing of the Republicans to Carry City and County.

PORTLAND, April 16.—The Democratic city and county caucus tonight nominated State Senator R. D. Inman for mayor. Several places on the county and city ticket were left open and it is understood that they will be filled in with members of the Simon faction of the Republican party. No nominations for the legislature were made and the committee will confer with Simon Republicans for the purpose of naming a ticket composed of Democrats and Simon Republicans.

The proceedings of the caucus were lively from the start and there is much enthusiasm being manifested over the nominations. Senator Inman, the nominee for mayor, is a very popular man and the Democrats confidently expect that he will pull the entire ticket through. They claim that Inman's strength and the support of the Simon Republicans will win out on election day.

"JOHN DOE PROCEEDINGS."

NEW YORK, April 16.—District Attorney Jerome has begun a secret inquiry into the death of James McAuliffe, who died after having spent a night in the police station cell and who, it has been asserted in some quarters was killed because of his being a witness against Wardman Glennon. This inquiry is known as the "John Doe Proceedings." Half a dozen witnesses were examined and at close the District Attorney announced that he had not obtained any evidence that would justify the issuance of a warrant. The inquiry will be continued today.
